Dear Veera Naga Koushik,

Re: Offer of Employment ("Letter')

Further to our discussion, we are pleased to confirm our offer of employment with Amgen Technology Private Limited (Amgen India) hereinafter referred to as the "**Company**", as Sr Associate Software Engineer with effect from the Commencement Date (*as defined below*), subject to the terms of this Letter.

The validity of this offer is subject to medical and / or background checks as may be required prior to your joining and satisfactory completion of a six (6) month probationary period, that may be extended at the Company's sole discretion.

Your employment shall be subject to the terms of employment as set out in the employment agreement to be signed by you upon your joining on the Commencement Date, and strict compliance with Company's policies and procedures, including the Company's employee handbook (as amended from time to time) ("**Handbook**"), a copy of which will be provided to you at the time of joining.

Your base salary is **₹2,100,000.00** INR per annum, subject to any statutory deductions. A detailed break-up of the compensation structure is set out in **Annexure A** of this Letter (*Compensation breakdown*). Details of working days, working hours and leave entitlement are set out in the Handbook.

The expected date of commencement of your employment is 06/16/2025 (or other date as mutually agreed to between the Company and you) ("**Commencement Date**"). You will be reporting to Angie Rose Wright and be based out of Hyderabad, India ("**Location**"), but subject to transfer to other business locations of the Company at the discretion of the Company.

You will be eligible to participate in Amgen's Global Performance Incentive Program (GPIP), subject to the terms of the GPIP. The GPIP is a cash award program directly tied to the Company's and your performance. The program is reviewed on an annual basis and the pay out, if any, is usually by the end of the first quarter. You must be actively employed through the last regularly scheduled business day of the calendar year to be eligible for that year's GPIP pay out. The terms of the GPIP may change or the plan may be discontinued at any time without notice.

The target payout for your position is 10.5**%** of your eligible annual Compensation.

This offer of employment is contingent upon your ability to perform for the Company all of the duties of your position without restriction from, or violation of, any enforceable contractual obligations owed to any former employer or entity for whom you worked or provided service(s). This offer of employment is contingent upon confirmation by the Company of information listed on your employment application, and the receipt by the Company of satisfactory results from a background verification, which will be completed no later than three (3) months after the Commencement Date.

Veera Naga Koushik, you have made an excellent impression on the staff at the Company and we are enthusiastic about the contribution you can make in growing our presence in India. We believe that the Company can provide you with attractive opportunities for personal achievement and growth. We welcome you to join the Company and look forward to having you on our team.

You acknowledge that the terms of this Letter prevails over all our earlier discussions about your employment with the Company. If you choose to accept this employment offer, please sign this Letter via DocuSign and ensure it is completed and submitted electronically along with the required documents by 04/09/2025. If the signed Letter and documents are not submitted by this date, this offer will be considered withdrawn without further notice.

If you have any questions regarding this offer, please contact Manichandra Kanda at mkanda01@amgen.com.

Yours sincerely,
For and on behalf of
Amgen Technology Private Limited

David Lucas
VP, Workforce Strategy & Optimization
